(Unclassified - LLM) Mr. Ebersol, in the office of Representative William Anderson (D., Tenn.), called on behalf of a Russian language major finishing her master's at Georgetown University who is interested in summer intern possibilities with the Agency. I explained our summer intern program in general terms and said I would check and be back in touch.

2. (Internal Use Only - LLM) John Lofton, staff member of the Republican Conference Committee, called to ask if we could help in locating unclassified information concerning pollution in Communist China and East Germany, with the information to be used to refute charges that pollution is a product only of capitalist societies. He said he was receiving such information on the Soviet Union from State. I told him I would check and be back in touch.
